SUMMARY

Aspiring Software Developer Final-year BCA student with a solid foundation in programming, web development, and database management. Passionate about designing and developing practical, user-focused software solutions. Eager to contribute to real-world projects, continuously learn new technologies, and grow within a dynamic and collaborative tech environment.

EXPERIENCE

Software Developer (Self-Driven Projects)

- Built multiple frontend applications with React and JavaScript, gaining hands-on experience in API integration, state management, responsive UI, and creating interactive, user-focused web apps.
